2016 NZCA Chiropractor of the Year Nomination Form

We all know of fellow members who have contributed to the profession in a positive, constructive way - people who have helped shape the profession here in New Zealand, who have given their time selflessly, have shown passion, strength, and helped to lead us.

Often these people do their work thanklessly and tirelessly as they strive towards greater visions.

Please nominate these exceptional members of our profession for the Chiropractor of the Year Award.

NB This award is conferred at discretion of Council following consideration of nominations.

Council will consider all nominations and any Award will be presented at the AGM and National Conference.
